Impact,
communication,
dissemination and
sustainability**

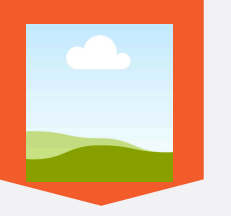

**WG I :
Needs &
Objectives**

**WG II :
Activities and
priorities**

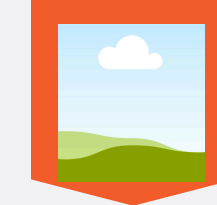

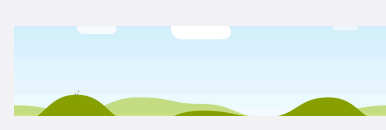

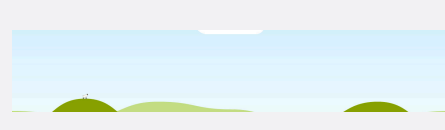

**WG III :
Outcomes and
outputs**

**WG IV :
Impact,
communication,
dissemination and
sustainability**

TIP

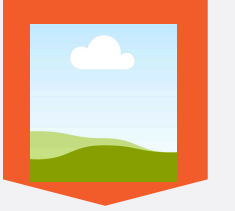

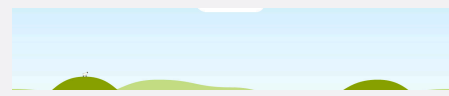

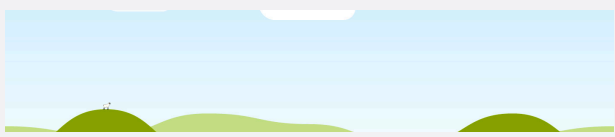

Europe needs **democratic citizens** who happen to be great employees.

ERASMUS+: ENRICHING LIVES, OPENING MINDS

TIP

You never start with the "What" (the mobilities).

You start with the "Why" (the institutional need)

Above
the
water

**We want an
international project.**

**Our students believe
fake news on TikTok.**

**Media
Literacy
Gap**

**Our migrant students
face language barriers
in internships.**

Rural

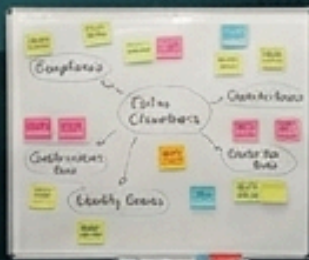

**Rural students
feel left out of the EU.**

**Lack of specific digital
fact-checking skills.**

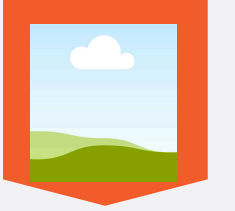

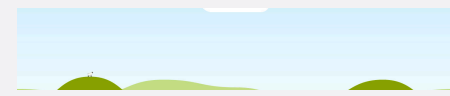

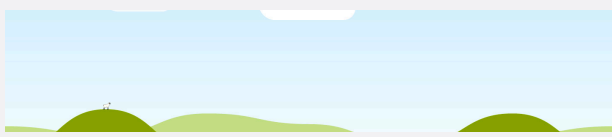

**Confirmation
bias is deeply
ingrained.**

**Social media
echo chambers
are robust.**

DISINFORMATION DEBUNKERS

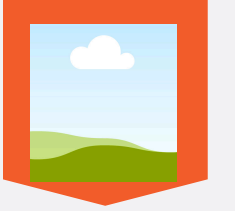

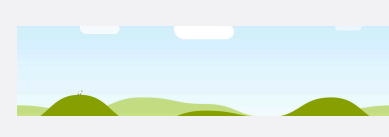

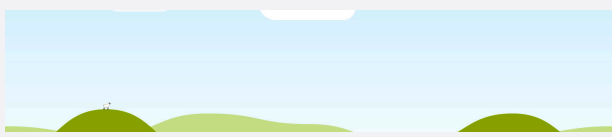

TIP

A need is not 'the lack of an Erasmus project.'

**A need is a *friction point* in your daily school life.
(Specific context of your organization)**

Objective Engineering (KA122)

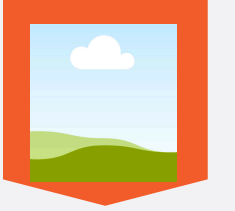

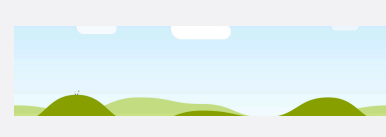

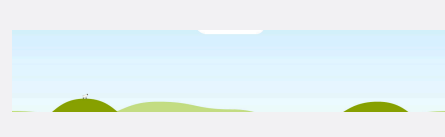

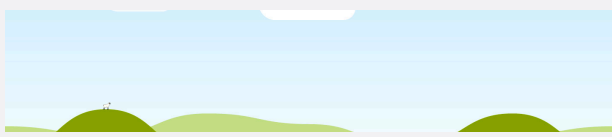

Title

**Explanation
(Need
Connection)**

**Measurement
of Success**

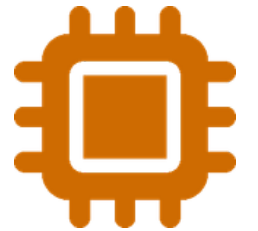

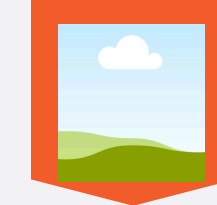

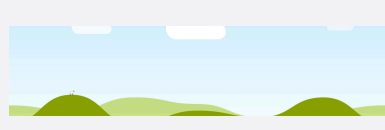

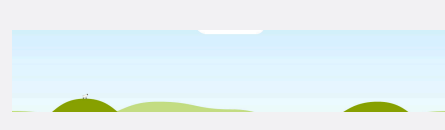

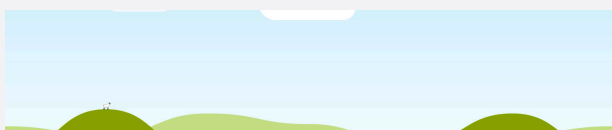

Group Work

Now it's time to develop your own ideas!
