RESTRICTIONS IN PARTICIPATION IN ERASMUS+ FOR CERTAIN PARTNER COUNTRIES

Region 2 - Eastern Partnership countries

UKRAINE

The EU has adopted a consistent policy of non-recognition towards the illegal annexation of Crimea and Sevastopol to the Russian Federation¹. As part of the EU's non-recognition policy, Crimean entities are not eligible to participate in Erasmus+.

A non-exhaustive list of higher education institutions (HEIs) based in Crimea and not eligible for Erasmus+ was sent to NA Directors on 14 February 2017 (Note Ares(2017)802531). *See Annex 2.*

Note that this restriction applies to all organisations located in Crimea and Sevastopol such as schools, youth organisations, chambers of commerce, etc.

If you have any doubts concerning the eligibility of an institution, please contact the National Erasmus+ Office (NEO) in Ukraine at office@erasmusplus.org.ua

Region 3- Southern Mediterranean Countries

ISRAEL

The reference document for the cooperation with Israel is the "*Guidelines on the eligibility of Israeli entities and their activities in the territories occupied by Israel since June 1967 for grants, prizes and financial instruments funded by the EU from 2014 onwards (2013/C 205/05)*".

These guidelines are referred to in the Erasmus+ Programme Guide listing Partner Countries - see footnote 12 (2018 edition). These indicate that Israeli organisations located in the territories occupied by Israel since June 1967 are not eligible under Erasmus+.

In practice, this exclusion applies to the following HEIs (situation December 2018):

West Bank:

- Ariel University
- Moreshet Herzog College (for Teacher Training)
- Orot Israel College (for Teacher Training)

Golan Heights:

- Ohalo College (for Teacher Training)

Note that this restriction applies to all organisations located in the territories occupied by Israel since June 1967 such as schools, youth organisations, chambers of commerce, etc.
