1. What is EU Login?

The **EU Login** Authentication Service (previously **ECAS**) is a point for user authentication to a wide range of Commission information systems.

If you already have an ECAS account, you don't have to create a new EU Login account. In EU Login, your credentials and personal data remain unchanged. You can still access the same services and applications as before. You just need to use your e-mail address for logging in.

It is the first step before registering as an organisation or individual when accessing certain IT Tools such as **URF**, **MT+**, **OEET** or **Project Results Platform**.

Every time you want to use a website that requires EU Login authentication, you will automatically be transferred to the EU Login page, where you will be asked to enter your user name and password. Depending on the security level required by the application which the user is accessing, single-factor (username + password) or multi-factor (username + password + challenge) authentication will have to be provided by the end-user.

If you are a new user, before you register as an organisation or individual, you must have an **EU Login** account. The account will become inactive after 6 months, but is still accessible and you will be prompted to create a new password.

2. How to use EU Login?

- URL
- General "EU Login" screen
- Create a new "EU Login" account
- Sign in to "EU Login" (previously ECAS) account
- Password lost?
- Help (Frequently asked questions)
- "EU Login" Account Details

2.1. URL

If you don't have an EU Login account please use the following link

<https://webgate.ec.europa.eu/cas/eim/external/register.cgi>

If you already have a user account for EU Login please login via

<https://webgate.ec.europa.eu/cas/login>

2.2. General "EU Login" screen

1. The website uses cookies. This allows you to log in to different applications without re-entering your credentials. Once you have logged into EU Login you will **not** have to identify yourself again as long as you leave your browser open. If you have chosen the option for your browser not to accept such cookies, you will not benefit from this feature.
2. The old ECAS authentication service has been redesigned and renamed as EU Login. Click the **Where is ECAS** button to get more information about the update.
3. The EU Login screens are offered in all official languages of the EU. Use the drop-down menu in order to switch between languages.

4. If you already have an EU Login account, use your e-mail address to [sign in](#).
5. If you don't have an account yet, you can create one by clicking on the **Create an account** hyperlink.
6. The EU Login offers the possibility to authenticate using a social network (Facebook, Twitter and Google) in order to access European Commission applications without having to create an EU Login account. This option is only possible for external users and is enabled for some applications that are open to the public.

Be aware that the IT tools that are used in the Erasmus+ programme **do not** support the authentication via social networks. Only authentication with e-mail address is possible.

7. If you wish to link your eID (eletronic ID) to your EU Login account, click on the **Select your country** button.

The screenshot shows the EU Login sign-in interface. At the top, a yellow banner contains a cookie policy message (1) and a language selector (3) set to English (en). Below the banner, the text 'EU login - One account, many EU services' is displayed. The main heading is 'Sign in to continue'. The sign-in options are: 4. 'Use your e-mail address' with an input field and a 'Next' button; 5. 'Create an account' hyperlink; 'Or'; 6. Social media login buttons for Facebook, Twitter, and Google; 7. 'Or use the eID of your country' with a 'Select your country' button. The footer includes links for 'About EU Login', 'Cookies', 'Privacy Statement', 'Contact', and 'Help', along with the European Commission logo and 'Powered by' text.

Take into account that there still might be screens in which you see the previous ECAS design. This is a normal behaviour and all screens will soon be adapted to the new EU Login look and feel.

2.3. Create a new "EU Login" account

-
- Click the "Create an account" hyperlink
- Fill in the details to create an "EU login" account
- Click the "Create an account" button

Create an account

Thank you for registering, you will receive an e-mail allowing you to complete the registration process.

2.4. Set your password

- Click the link in your e-mail to set your password
- Password Tip
- Click on "Proceed" to log-in
- Click the link in your e-mail
- **Error! Reference source not found.**
- Click on "Proceed" to log-in

Click the "Create an account" hyperlink

In order to create a new account, follow the link from the email notification received or use the following url:

<https://webgate.ec.europa.eu/cas/eim/external/register.cgi>

Click on the **Create an account** hyperlink.

If you already have an ECAS account, you don't have to create a new EU Login account. In EU Login, your credentials and personal data remain unchanged. You can still access the same services and applications as before. You just need to use your e-mail address for logging in.

The screenshot shows the EU login registration interface. At the top, there is a yellow banner with the text "This website uses cookies. Learn more about the European Commission's cookie policy" and a "Close this message" button. Below the banner, the page header includes "EU login - One account, many EU services" and a language selection dropdown set to "English (en)". The main heading is "Sign in to continue". The registration form contains a text input field labeled "Use your e-mail address", a blue "Next" button, and a red-bordered "Create an account" link.

Fill in the details to create an "EU login" account

1. **First name** - Insert your first name.
2. **Last name** - Insert your last name.
3. **E-mail** - Insert your email address. Please remember this must be the same e-mail address provided to the National Agency or DG EAC (for example in your Project Application Form) and it should be valid and active.
4. **Confirm e-mail** - Confirm with the same e-mail address above.
5. **E-mail language** - Choose the language from the drop-down menu.
6. **Enter the code** - Enter the code visible on the screen in the field. If the code is illegible, click the refresh button for another code, or click the play button to listen to an audio version of the code.

7. **Privacy Statement check-box** - This check-box must be clicked before creating an account.

A confirmation message is displayed, confirming the creation of the account. To complete the registration process, you will receive an email.

Create an account

Thank you for registering, you will receive an e-mail allowing you to complete the registration process.

2.5. Set your password

- Click the link in your e-mail to set your password
- Password Tip
- Click on "Proceed" to log-in

Click the link in your e-mail to set your password

Once you have registered with EU Login, you will receive an e-mail from the European Commission Authentication Service or ecas-admin@ec.europa.eu, with your **user name** and a link for creating your **password**.

You have a maximum of 24h, starting from the time that this message was sent, to create your password, but you are encouraged to do so immediately, if possible. After this time, you can make another request by following the same link: you will then need to re-enter your user name and confirm your request.

Once you click on the link, new screen will open, allowing you to set a password. Enter and confirm your password and click on the **Submit** button.

New password

Please choose your new password.

nkarkize
(External)

New password

Confirm new password

Submit

Passwords cannot include your username and must contain at least 10 characters chosen from at least three of the following four character groups (white space permitted):

- Upper Case: A to Z
- Lower Case: a to z
- Numeric: 0 to 9
- Special Characters: !#\$%&()*+,-./:;<=>@[\\`_{}~

Examples: 5QVVgXArcj jJzVtMRvH_yVibvnles

[\[Generate other sample passwords\]](#)

Password Tip

Remember that a strong password:

- must be at least 10 characters long,
- may not contain your user name (login) or any part of your full name,
- must be changed every 3 months (a reminder is automatically sent 15 days before the expiry date) should never be the same as any of your last 5 passwords.

Click on "Proceed" to log-in

Click on the **Proceed** button in order to log-in to EU Login.

A new screen will open informing you about successful login to EU Login.

2.6. Sign in to "EU Login" (previously ECAS) account

Enter your institution's e-mail address in order to sign in. This must be the same e-mail address provided by you while creating your EU Login (previously ECAS) account and when requesting access to OEET. The message informing you of your access is sent to this address.

After entering the e-mail, click on the **Next** button.

Sign in to continue

Use your e-mail address

Next

[Create an account](#)

Or use the eID of your country

 [Select your country](#)

For applications used in Erasmus+ only authentication with **e-mail address** is possible!

After clicking on **Next**, a new screen will be displayed:

1. You will see your e-mail address displayed on the screen.
2. Enter your **password**.
3. You can choose a different **Verification method**. The EU Login allows a verification mechanism based on multi-factors (i.e. Mobile phone + SMS, Token, EU Login or ECAS Mobile App). Make sure you have added the devices to your account if you wish to use an alternative authentication than e-mail.
4. After entering your password, click on the **Sign in** button.

Sign in to continue

[\[Generate other sample passwords\]](#)

Enter your **New password** and confirm it before submitting!

Click on "Proceed"

Once the password has been changed, click on the **Proceed** button to sign in to the application.

New password

Your EU Login password was successfully changed.

Click **Proceed** below to continue to **Participant Portal**

Proceed

2.8. Help (Frequently asked questions)

If you need help or need to check the frequently asked questions, click on the **Help** hyperlink at the bottom of the page.

The screenshot shows the EU login interface. At the top left, it says "EU login - One account, many EU services". On the top right, there is a "Where is ECAS?" button, a moon icon, and a language dropdown menu set to "English (en)". The main heading is "Sign in to continue". Below this is a form with a text input field labeled "Use your e-mail address", a "Next" button, and a "Create an account" link. Below the form, it says "Or" and lists social media login options: Facebook, Twitter, and Google. At the bottom of the form, it says "Or use the eID of your country" and has a "Select your country" button. The footer contains links for "About EU Login", "Cookies", "Privacy Statement", "Contact", and "Help" (which is highlighted with a red box). Other footer elements include "European Union", "EU institutions", "4.10.0-d2d | 61 ms", and the European Commission logo with the text "Powered by".

2.9. "EU Login" Account Details

- **My Account**
- **Modify my personal data**
- **Manage my mobile phone numbers**
- **Delete your account**
- **Manage my mobile devices**
- **Display my sessions.**
- **Link my eID**
- **My EU Login Account Details.**

My Account

To access your EU Login account details, click on the settings icon in the upper right corner and select **My Account** from the drop-down list.

The **My Account** page opens. Here you can choose a number of options to edit your account details.

Modify my personal data

Click on **Modify my personal data** to edit your personal details. Here you can amend your personal information, email address and email language. If you change your email address, please also remember to inform the National Agency or DG EAC or person responsible for providing you access to a DG EAC IT Tool.

The screenshot displays the 'EUROPEAN COMMISSION AUTHENTICATION SERVICE (EU LOGIN)' interface. At the top, there is a navigation bar with 'EUROPA > Authentication Service > My Account' and a user profile for 'External Bertie BEXPERT (BEXPEBE)'. The main content area is titled 'My Account' and contains several interactive tiles:

- Modify my personal data** (highlighted with a red box)
- Manage my mobile phone numbers
- Delete your account
- Manage my mobile devices
- Display my sessions (You can view the sessions opened for visited applications.)
- Link my eID (You can link your eID to your EU Login account.)
- My EU Login Account Details

The footer indicates 'Last update: 10/02/2016 (4.6.1-hum) | 11 ms | Contact | Privacy Statement | Top'.

Manage my mobile phone numbers

Click on **Manage my mobile phone numbers** to add your mobile phone details.

Delete your account

To delete your EU Login account, click on **Delete your account** and follow the instructions. Please, also notify the National Agency or DG EAC that you no longer require access to one of DG EAC's Tools. If possible or applicable, please mention your replacement. All access rights will be revoked and unrecoverable once deleted.

Manage my mobile devices

To access EU Login using mobile application devices, click on **Manage my mobile devices**. Here you can add or delete mobile application devices.
