

DIGITAL LEARNING FOR ADULT LEARNERS

Themes and goals:

This contact seminar on the topic of DIGITAL LEARNING FOR ADULT LEARNERS will focus on adult education. It will facilitate partner finding for small scale partnerships to be submitted in 2023.

Expected results:

- Awareness of internationalisation among ADU institutions.
- Understanding of Erasmus+ rules.
- New networks for the future cooperation.
- Outlines of KA210 projects (small-scale partnerships).
- Involvement of newcomer organisations in Erasmus+.

Profile of participants:

- Representatives of public/private organizations who are active in the fields of ADULT education working with adult learners.
- Organizations that want to tackle their digital transformation and/or want to achieve an effective shift to digital education/training and/or developing digital expertise to strengthen employees/trainers/teachers in their digital competences and /or focus on innovation and design of digital learning content.
- Newcomers as well as organisations already having some experience in project preparation and implementation.
- Organizations with the prospect of a project application or participation in a small-scale partnership (KA210) in 2023.
