TRANSNATIONAL COOPERATION ACTIVITY

KA101 – Consortium - Newcomers

28th November to 1st December

Bergen, Norway

Type of event:

Contact Seminar

Working language:

English

Number of Spanish participants:

Up to 10 participants

Profile of participants:

The seminar is open to participants within the field of school education. The contact seminar is mainly targeted at education authorities capable of being potential leaders of consortium. Participants should have no or little knowledge about KA101-consortium.

Themes and goals of the event:

The concept of consortium in School Education is rather new (2015). Many NAs agree that they wish they would have more of them. Consortiums allow a larger number of schools to take part in the Erasmus+ program since administration of the projects is no longer the fact of the schools themselves.

- 1- Possibilities within KA101 consortiums
- 2- Particularities of a KA101 consortium projects
- 3- Presentation(s) of successful and well run KA101-projects consortium
- 4- Project coordination and project management of a KA101 consortium
- 5- Promotion of job-shadowing

Expected results:

Participants will send consortium application to the next KA101-round and will have already started cooperation with receiving schools for job-shadowing.
