- **representatives from VET schools and VET organizations**
- **adult education representatives**
- **Number of participants in total:** 60 participants

Themes and goals of the event:

This contact seminar is hosted by the Slovak NA and its main aim is to give the possibility of building networks among organizations which plan to prepare a KA2 Strategic partnership project on the seminar topic „Removing barriers – Access to learning opportunities for disabled learners at pre-primary, primary and adult levels”.

Within the seminar the participants will be introduced to the topic via Key notes as well as with the help of ongoing projects. In the second part of the seminar workshops will be organized in order to prepare first drafts of possible future projects.

The capacity of the seminar is set at 60 participants – **one person per sector from each country**. Welcome are newcomers as well as schools and organizations already having some experience in project preparation and realization in the respective field.

Programme of event: The programme will be sent to the interested NAs in the coming months.

The pre-selection deadline for NAs is: **15 September 2016**
