

TRANSNATIONAL COOPERATION ACTIVITY

Innovative use of ICT in pre-primary and primary education

September, 30 - October, 3

Bergen - Norway

Type of event:

Thematic Seminar

Working language:

English (the level of English required is C1)

Number of Spanish participants:

1-2 participants from the field of School Education

Profile of participants: The seminar is open to participants within the fields of **school education**. The seminar is mainly targeted at teachers, school leaders and others working with children in pre-primary and lower primary school (age 1-9), who are interested in learning more about innovative use of ICT among the youngest children in education.

Themes and goals of the event:

- Presentation of the Norwegian education system with focus on the youngest children in education.
- Inspire and give new ideas to enhance the work with ICT in kindergartens and schools.
- Discussion of the situation of ICT education in the participating countries.
- Study-visits to kindergartens and primary schools working actively with ICT in education.
- (tbc) Visit to “Bergen Science Centre”, a learning centre for technology and natural science.

Expected results:

- Discussions and focus on ICT in kindergartens and primary schools
- Networking and sharing experience
- Inspiration for the future work and European projects on the topic

Cost:

Event fee: The event fee will be covered by the sending NA agency and it will cover accommodation (3 nights), meals and participation in cultural events.

Travel costs: SEPIE will contribute to the travel costs based on the table provided for TCAs. This financial support will be paid directly to the selected participant by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website).

Support for accommodation and meals not included in the activity programme: SEPIE will contribute to these costs based on the table provided for TCAs. This financial support (up to 2 travel days) will be paid directly to the selected institution by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website).

Support for participants with special needs: Applicants with special needs might apply for a reimbursement based on real costs. The reimbursement based on real costs will be granted only if it is clearly justified and requested in the application form, and once approved by the national agency (SEPIE). This financial support will be paid directly to the selected participant by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website). By choosing this option, the participant will renounce to a reimbursement based on unit costs.
