

Erasmus+ international training seminar

The Project Compass: Navigating Ideas towards Projects

11 and 18-20 June 2024
Vilnius, Lithuania

Trainers: Agnė Rapalaitė-Rasiulė and Evaldas Rupkus

Themes and goals:

The workshop is designed for newcomers to the Erasmus+ program, who have little or no experience in Erasmus+ Key Action 2. We will be facilitating the training seminar through the specific parameters of Small-scale partnerships (KA210 SCH, VET, ADU), while aiming at helping the participants to navigate through some of the initial project planning challenges and inspire international partnerships.

During the training seminar you will:

- get to know the specifics of Erasmus+ Small-scale partnership projects,
- familiarise with tools needed to turn your idea into a project plan,
- create new networks and find potential project partners,
- have space to share and discuss your project ideas.

The training seminar consists of two compulsory parts:
